If background information is insufficient or complicated or if complex memos or motions are presented at the meeting, which were not included in the Board's meeting packet, any Board member may request that the relevant item be tabled to allow Board members time for careful study of the material.

The agenda shall be available to the public and the press at the Selectmen's Office by 4:30 p.m. on the Monday before the meeting unless Monday is a holiday, and shall be posted on the Town bulletin board inside of Town Hall that same day and also on the website. Copies of the minutes of previous meetings and all important correspondence reports, and other pertinent background materials shall be held in the Selectmen's Office for collection by Board members.

XIII. MEETING MINUTES

The Town Administrator shall ensure that open meetings of the Board are recorded. The Town Administrator shall ensure that minutes are drafted and made available to Board members in a timely manner, not to exceed twenty-one (21) days from the meeting date.

Minutes circulated to members of the Board before the agenda is set for the subsequent meeting shall be considered at the meeting. Changes in the text of minutes shall be reviewed and agreed upon by a majority of voting Board members. The Town Administrator shall periodically review and present for the Board's vote the minutes of meetings held in Executive Session which may be released to the public. The Board shall release minutes of Executive Session at the earliest opportunity without compromising the nature of the matter discussed therein.

Minutes shall contain a full statement of all actions taken by the Board and of the disposition of all proposals of action. Approved minutes shall be recorded in a Minutes Book which shall be bound when filled to capacity. Minutes of Board meetings held in Executive Session shall be kept separately and recorded in accordance with the procedures dictated above. Minutes (other than those of meetings of Executive Session which the Board has not voted to release) shall be open for public inspection.

XIV. BOARD APPOINTMENTS

The Board shall make its appointments at the second regular meeting in June. Appointments made at that meeting shall have terms beginning July 1 and expiring on June 30. In addition, as the need arises, the Board may make appointments throughout the year for terms to take immediate effect, with expiration dates of June 30. Terms shall not exceed three years, unless specifically allowed by MGLA.

Appointments shall be based on merit and qualifications. Where possible the Board will seek variety in backgrounds, interests, ages, genders, and geographic areas of residents, so that town boards and committees will reflect a true cross-section of the community. In order to attract qualified and interested persons, vacancies will be made public as far in advance of the appointment as practicable.

The Town Administrator will ensure the availability of up-to-date Town of Becket Committee Application forms in Town Hall and other public buildings. The Town Secretary will also ensure that completed Town of Becket Committee Application forms are maintained in an organized and easily retrievable manner in the Selectmen's Office, that receipt of the completed form is acknowledged, and that the resident be given a sense of appointment process.

As Board-appointed vacancies occur, the Town Administrator will ensure that local newspapers are advised of the vacancies, and that vacancy notices are posted on Town bulletin boards inside and outside of Town Hall and advertised on the Town website. Vacancies shall be advertised for no less than fifteen (15) days. The Town Administrator will ensure that the chairman of the board on which a vacancy occurs is advised of the vacancy, and will seek nomination recommendations of a majority of the relevant committee. Applicants for all Board appointments shall complete a Town of Becket Committee Application form, to be considered as candidates.

As part of the annual appointment process, the Town Administrator will ask incumbents whose terms will expire on June 30 about their availability for reappointment. The Town Administrator will ensure that the Selectmen receive by May 15 a list of appointment vacancies to be filled by the Board.

The Board may from time to time appoint standing or advisory committees to aid on matters under the Board's jurisdiction. The use of such committees provides greater expertise and more widespread citizen participation in the operation of government. The Board will give each advisory committee a written charge, which shall include the work to be undertaken, the time in which it is to be accomplished, and the procedures for reporting to the Selectmen. Each committee must report in writing at least annually to the Selectmen. The Selectmen's Office shall be sent copies of all committee agendas and minutes. The Board will discharge committees upon completion of their work. In addition, each Committee shall be provided with information on parliamentary procedures and the conduct of meetings under the Open Meeting Law. The charges and membership of advisory committees shall be reviewed at least annually to assess the necessity and desirability of continuing the committee.

All committees appointed by the Board shall send the Town Clerk's Office copies of all committee agendas and minutes. The termination or continuance of the committee member will be voted on, with the decision made by a majority of the Board subject to notice and a right to be heard. Upon notification of a vacancy on an elected Town board, the Board and the remaining members of the elected board shall appoint a replacement, on a majority roll call vote of the combined boards, subject to MGLA Ch. 39, 12-13. The new appointee shall be a registered voter in the Town of Becket and shall serve only until the next annual Town election.

XV. RELATIONS WITH OTHER TOWN BOARDS AND COMMITTEES

The Board is aware that coordination and cooperation is needed among the Town's major boards, committees and commissions, not only in the day-to-day operations of government, but also to set town-wide goals and priorities; identify and anticipate major problems, working together toward their resolution; and develop a process for dealing with state and federal government.

The Town Administrator is responsible for inter-board communications in day-to-day operations of government. The Town Administrator shall develop a process for the exchange of information and the provision of advice and recommendations among the boards, committees and commissions with

common interest, which shall include but not be limited by the exchange of minutes, the establishment of a central repository for data, studies, reports, and the invitation to chairmen of appropriate boards and committees to meetings of the Board on matters relevant to those boards and committees.

XVI. RELATIONS WITH CITIZENS

In recognizing that it both represents and is accountable to the residents of the Town, it is the policy of the Board to make every effort to strengthen communications with citizens. The Board will act to increase citizen participation, encourage citizen input into government decisions, and to keep residents informed of all actions contemplated or taken by the Board which will affect them. To this end, the Board will take the following steps:

- In addition to Citizen Participation, a resident or group of residents may request a meeting with the Board by contacting the Selectmen's Office, stating precisely the reason for the appearance and the Board action desired and by naming a spokesman for the group. As circumstances permit, such a meeting will be incorporated into the agenda of the next regularly scheduled Board meeting. Participants shall be allowed to make a reasonable presentation through the spokesman and to express opinions, and to ask for pertinent information. Residents making such presentations are encouraged to prepare written materials for the Board's review.
- The Town Administrator will ensure that persons who will be directly affected by proposed Board discussion or action will be notified of the date and time of the meeting at which the matter will be discussed or acted upon by the Board.
- If the Board is considering matters of citizens concern at a regular meeting, the public will be allowed to ask questions or make statements relative to the matter under consideration at the discretion of the chairman.
- The Town Administrator and Chairman will ensure that all citizen's questions and complaints are answered promptly. Matters requiring the attention of the full Board shall be included in the agenda of the next regular Board meeting.

XVII. PERSONNEL ISSUES

Hiring preference for residents: In all cases, preference should be given for employment in any position to residents of the Town. Exceptions may be made only in instance where a non-resident individual is better qualified or offered talents that were not available with resident candidates, or where no resident candidates apply for the position.

Town Administrator appointments: The Town Administrator will make available to the Board the résumés and applications of candidates for department head positions. While recognizing that the Charter delegates appointing to the Town Administrator, with the approval of the Board of Selectmen, he/she will present the finalists for interview by the Board prior to making an appointment. The Town Administrator will consult with the relevant department head before appointing other persons to Town employment.

Termination/resignation of department head: Upon the termination or resignation of any department head, an audit will be performed of the records of the respective department including, but not limited to, all financial matters. Depending on the department involved, the Board shall determine if said audit shall be done by the Town Accountant, Town Administrator, outside audit agency, or otherwise. A
