Meeting began at 6:02.

1. Minutes of the previous meeting were approved.
2. Rita went over printed financial statement. Larisa had several questions concerning the process of determining balances and uses of the monies.
3. We reviewed last year's approved projects. The belfry project at the First Congregational Church used the \$100,000.00 appropriation for the rebuilding of the belfry and the balance is \$0. The acknowledgement of the CPA funding source is posted on the exterior church sign. The Esau's Trail project has used \$7,900.00 of their approved \$10,000.00. When we are notified of the project's completion, the balance will be returned to the CPC Undesignated Fund. They too, have posted a sign stating that the project used Becket's CPA Funds. The Becket Art's Center project has used \$21,266.50 of their allotted \$21,887.00. When notified of the completion of that project, remaining funds will be returned to the Undesignated Fund. They have posted a notice that CPA Funds were used for the project on the outside bulletin board.
4. Election of officers. Cindy Delpapa was nominated for chairman and Rita Furlong was nominated for clerk. No other nominations. Both were elected unanimously.

Meeting adjourned at 7:02.

Respectfully submitted,

Rita Furlong, Clerk and Acting Chairman
