Reviewed:

- **Assessing Services Quote/Contract:** Mayflower Valuation, Ltd.: The board begins their review by comparing the proposed scope of services from **Mayflower (MF)** to the current scope of services in the contract with **Regional Resource Group (RRG)**. The board questions if there will be enough coverage from MF to give the town the support it needs. There is a brief discussion regarding the various districts in the town that will ultimately require more support. Following their review, the board feels clarification is needed on some of the items in the quote before making their decision.

Beverly asks Katherine Warden, Town Administrator, to join the meeting. The board relays their concerns discussed during their review. Kathe has a brief discussion with the board regarding the services actually received from RRG versus what MF will be able to provide. Kathe agrees to contact MF to schedule a meeting to gain clarification on the quote/contract proposal.

- **Adjournment:** Jess **makes a motion** to adjourn. Geri **seconds the motion**. All in favor. **Motion passes**. The meeting is adjourned at 11:46 am.
