In continuous use since 1837 this **West Becket Cemetery** is on a pleasant knoll northeast of [Jacob's Ladder Scenic Highway](#) and east of the intersection of Routes 20 and 8 south. Possibly the earliest grave is for Emerjane A. Sowle, who died on October 29, 1837 at age 7. Three weather-worn marble military markers are located near the front of the cemetery of the Co. B, 49<sup>th</sup> Mass. Mil. Inf. for Isaac Denslow, C. C. Hinman, and W. J. Glead. The stone wall bordering the cemetery is a memorial presented to the Town by Mr. Frank Andrews in memory of his wife, Maude. This is the smallest of the three town cemeteries.
