Dear Community:

After the Governor's recent announcements, Town Hall is now open full-time every day. We look forward to seeing you again. Although masks are not required, we recommend those that have not been vaccinated should continue to wear one.

Town Boards and Committees may return to in-person meetings now, and unless the requirements change, will be required to after June 15<sup>th</sup> with the ending of the state of emergency. Some boards and committees may maintain a hybrid meeting set-up for public access.

We appreciate everyone that was able to attend and participate at the Annual Town Meeting and Annual Town Election.

We gave thanks and remembered our fallen heroes on Memorial Day. If you missed it, you can see it [here](#). We fully plan to have regularly scheduled programming next year.

Several Boards and Committees need members appointed to them. If you have any interest in participating you can view the available positions [here](#).

Beach permits are available for Becket homeowners. Transfer Station permits expire on June 30. New permits are available in the Collector's Office.

Finally, as we emerge from the pandemic, we look to maintain the safety of all our residents and visitors. Please follow appropriate CDC and State guidelines regarding COVID-19. We look forward to seeing everyone this summer.

Thank you,

William Caldwell  
Town Administrator
