FAX – (413) 623-6036

November 16, 2021

Dear Residents:

Eversource has filed their winter service rates which will show an increase in the service for regular rate users. Becket is participating in a municipal aggregation program which will lead to savings for local customers. Many of you already participate in the program but some residents have chosen to opt-out of the program. The agreed upon rate with the Town is less than the Eversource rate change. For more information you can visit <https://colonialpowergroup.com/becket/> and to join please see the information below.

In addition, all Eversource customers who meet certain means criteria can qualify to receive a discount on their electric bills. We know many residents are already signed up to receive this discount but many are not. It's entirely up to each Town but it may be a good time to refresh everyone's memory about what's available so folks can take advantage of the assistance, if appropriate.

Eversource's application can be found at <https://www.eversource.com/content/wma/residential/my-account/billing-payments/help-pay-my-bill/discount-rate>

To join Becket's Program, you can do one of two things:

1. Visit [colonialpowergroup.com/becket](https://colonialpowergroup.com/becket) and click the OPT-IN button, then fill out and submit the Opt-In Form.
2. Call Dynegy at (866) 220-5696 and ask to join the Town of Becket's Program.

For both of the above options, you should have your Eversource bill handy in order to provide some required information. Enrollments can only be processed on meter reads so it may take one or two billing cycles before taking effect. If you are currently contracted with your own competitive supplier, you should confirm with them that you will not incur any early termination fees or penalties for leaving their supply.
