

# Spring Wildflower Walk

with Ed Neumuth

Saturday, May 6  
9-11am  
Rain date TBD

Join Ed Neumuth in Washington for a guided walk where we hope to see trout lily, spring beauty, blue cohosh, wild ginger, hepatica, bluets, red trillium, and more!

Ed graduated from University of Pennsylvania School of Veterinary Medicine in 1970 and has lived in Washington since 1974. He is interested in all aspects of natural history, having led wildflower programs for Massachusetts Audubon Society and Canyon Ranch in Lenox.

Meeting location provided  
upon registration.

Space is limited.  
Registration required: [bit.ly/BA-wildflower](https://bit.ly/BA-wildflower)
