## **Community Preservation Committee**

The Becket Select Board is seeking to appoint two residents to the Community Preservation Committee. This committee reviews applications and votes on the disbursement of Community Preservation Funding. The Community Preservation Committee meets at least four times each year. Under the CPA program, each year, the town must allocate a minimum of 10 percent of the total fund to each of the three core areas: open space preservation, affordable housing, and historic preservation. The remaining 70% can be spent or reserved for future spending in any of the three core areas as well as an additional area of public recreation. The Community Preservation Committee helps to enhance and improve our town by managing the dedicated funding source for desirable and innovative projects that the community wants but can otherwise not afford without this program. To apply, please submit a letter of interest and an [Appointment Application](#) to the Select Board. The application may be obtained from the Town's Administrative Assistant (e-mail [adminasst@townofbecket.org](mailto:adminasst@townofbecket.org)) or at the Forms and Documents page of the town website [www.townofbecket.org](http://www.townofbecket.org)
