1. Finalize Action Table. The meeting focused on finalizing actions and filling out the draft plan's Action Table, which included assigning responsibility for implementing actions and listing potential financial and other resources to support implementation. Responsibility for most of the actions lie with various town boards, with the Committee also beginning to identify partners and grants that could aid in implementation. The draft actions finalized here will be presented to residents during the upcoming Public Forum, scheduled for Dec. 5th.

2. Public Forum. Details about the Dec. 5 forum were discussed. BRPC staff will create and present the major findings from the draft plan, which will be presented in person at town hall and via zoom. Attendees would be asked to provide input and then asked to prioritize and vote for the top 3 actions that they think should be pursued. Zoom attendees would vote via zoom poll. M. Babcock offered to speak at the forum as a Committee representative. Committee members agreed to help publicize the forum by putting poster announcements around town.

No next meeting time was set. The meeting adjourned at 6:50 pm.
