

APRIL 3RD, 2024 CLIMATE PROGRAM TO BE RESCHEDULED

We must **reschedule** our climate program due to Wednesday's pending storm. The Becket forecast indicates accumulating snow with strong winds. Many people have registered for the program but for safety reasons we need to reschedule.

We will send you an invitation with the new date ASAP. For attendance counts, please register again. Because you registered for April 3rd, a seat will be reserved for you.

On behalf of Barbara Wacholder and Purr McEwen (Lakes and Ponds Council) and the Becket Conservation Commission team, we look forward to seeing you in the future. We thank you for your interest in this important program.

Please call me if you have any questions.

Thank you,

David Johnson, Chair Becket Conservation Commission
