## **COMMUNITY PRESERVATION COMMITTEE**

### **MEETING NOTICE**

DATE: Wednesday, December 4 , 2019

TIME: 6:30 p. m.

PLACE: Becket Town Hall, Downstairs Community Room

AGENDA: Community Preservation Act Informational Meeting

The Community Preservation Act is a state law that allows cities and towns to create a dedicated fund for open space, historic preservation, senior housing and recreation.

The CPA provides a dedicated funding source for desirable and innovative projects that the community wants, but can otherwise not afford. The CPA also brings state matching funds to local projects.

The CPA is a very flexible funding mechanism. The types of projects it can be used for are very broad, and can include many projects that are hard to fund through other means. CPA funds can be used to purchase open space or conservation restrictions, to broaden housing opportunities for residents, to help senior citizens repair their homes, to build playgrounds, athletic fields, trails, or restore historic buildings and landscapes.

Please come to the informational meeting on December 4, 2019 at 6:30 p.m. and learn how CPA funds can work for you and the Becket community.

Thank you

Respectfully submitted, Neil F Toomey, Chairman Becket CPC
