Select Board: Recommends **Majority Vote Required**

Finance Committee: Recommends

* Note: Finance Committee recommends \$203,070 for Police Dept. Salaries versus \$219,600 recommended by the Selectboard.

Article 4 The Moderator noted five corrections to the various line items presented in the Warrant. He noted that the FinComm/Selectboard Recommended amounts on line items 36, 37, 40 and 41 should be changed to read as follows: line item 36. SUMMER OVERTIME should be changed from \$17,959.00 to \$12,387.00; line item 37 VACATIONS & HOLIDAYS should be changed from \$0.00 to \$36,876.00, and; line item 40 WINTER ROAD OVERTIME should be changed from \$34,894.00 to \$29,294.00, and line item 41 WINTER ROAD SALARIES should be changed from \$103,773.00 to \$91,214.00. The Moderator stated that he would not read each line item but rather, if there were to be any questions or discussion of any item, a "Hold" would be asked to be placed on that item. At the end of the process for any line items to be held, all items not having a "Hold" put on them would be voted on. The Moderator stated that in the non-held line items, the figure being voted on would be the Finance Committee/ Selectboard recommended amount. Following this, all line items having a "Hold" would then be voted on separately. "Holds" were placed on the following line items:

Line Item 8 – Audit. Jeremy Dunn explained that the Town wanted to have audits performed every year. They are expensive but necessary, especially to receive grant funds. The Finance Committee felt that having an audit every other year struck a balance between necessity and expense. A vote was taken. The motion on the Finance Committee/Selectboard Budget Recommend amount **Line Item 8 Passed Unanimously.**

Line Item 13 - Town Administrator Salary. There was discussion from the floor regarding the level of Town Administrator Salary. Craig Kleman noted that the amount of salary that was authorized the previous year was more than his actual salary. Mr. Dunn also commented in response to the question. A vote was taken. The motion on the Finance Committee/Selectboard Budget Recommend amount Line Item 13 Passed.

Line Item 23 – Assistant Tax Collector. Ms. O'Connor wanted to know why this new hire was getting a raise, but it was explained that the requested amount was not the recommended amount, and the amount being voted on was the recommended amount. A vote was taken. The motion on the Finance Committee/Selectboard Budget Recommend amount Line Item 23 Passed.

Line Item 27 – Conservation Commission. Ms. O'Connor wanted to know what the Conservation Commission used its funding for. Town Administrator Kleman addressed her question noting that Conservation Commission pays for a Conservation Agent that is available for work up to 35 hours per week, paying for necessary legal advertising. A vote was taken. The motion on the Finance Committee/Selectboard Budget Recommended amount **Line Item 27 Passed**.

Line Item 35 - Summer Labor. Robert Ronzio was curious about the changes in the percentages due to the corrections stated at the beginning of the meeting. Specifically the effect that correction in the recommended amount from \$184,938 to 172,551 would have on the far right percentage column in Line Item 35. Jeremy Dunn and Dan Parnell explained the effect that the changes would have. A vote was taken. The motion on the Finance Committee/Selectboard Budget Recommended amount **Line Item 35 Passed Unanimously.**

Line Item 36 –Summer Overtime. There was no specific discussion on this line item. A vote was taken. The motion on the Finance Committee/Selectboard Budget Recommended amount (as corrected above) Line Item 36 Passed Unanimously.

Line Item 41 – Winter Road Salaries. There was no specific discussion on this line item. A vote was taken. The motion on the Finance Committee/Selectboard Budget Recommended amount (as corrected above) Line Item 41 Passed Unanimously.

Line Item 43 – Winter Roads. Ms. O'Connor asked if Winter Roads was just sand and salt. A vote was taken. The motion on the Finance Committee/Selectboard Budget Recommended amount Line Item 43 Passed Unanimously.

Line Item 48 – General Maint. Mat. & Equipment. Ann Krawet inquired as to whether the Town Repaired equipment in-house or used outside repair vendors. Mr. Kleman explained that the Town attempted to make what repairs it could in house, but then would use outside mechanics. A vote was taken. The motion on the Finance Committee/Selectboard Budget Recommended amount Line Item 48 Passed Unanimously.

Line Item 63 – School Capital. Mr. Dunn presented an explanation of the difference between the requested and recommended amount. He noted that the actual amount requested and the amount recommended were the same, \$26,893.00. A vote was taken. The motion on the Finance Committee/Selectboard Budget Recommended amount **Line Item 63 Passed Unanimously.**

Line Item 69 - Police Dept. Salaries. William Elovirta gave a presentation noting that the budget was submitted as requested to include a full time Police Chief, two full time officers and five part time officers. He noted that police calls increased from 1407 to 3180 in 2012. He stated that he was a part time Police Chief because the Town had no full time police officers when he was appointed as Police Chief in in 1989. He feels that now that the Town has both full and part time officers, the Chief position should be full time. He noted that the full time Chief would also do patrol duties. He discussed the classification differences that arise between a full time compared to a part-time Chief. He noted that currently the Town does not have an officer assigned to the midnight to 8 a.m. shift. He noted that there are officers paid to be on stand-by at the rate of \$32.00 per night, and that cost 11,680. The standby officer gets a minimum 2 hours of pay for answering any call while on standby. In 2011 there were 115 call outs and 230 hours at the part time rate of 16.53 per hour totaling \$3802.20. He noted that sometimes the call out lasts longer than two hours which results in additional part time police hours at a time and a half rate. He noted that the \$15,482.90 could be used to offset some of the \$45,000.00 salary of a full time midnight to eight shift officer. He observed that there had been several burglaries at Indian Lakes Estates over the winter, but after placing a midnight officer on duty for two nights per week, no further burglaries were reported. He noted that many motor vehicle violations were also issued by the midnight shift officers as well as many road hazards had been discovered, and a rekindled brush fire that could have caused a structure fire had been discovered before it could do structural damage. He also related that in discussions with the State Police he was informed that the State Police never have more than 2 midnight to eight patrols, and that they have to cover many communities, and are not familiar with the roads in Becket. He also observed that there is a large community of second home owners who pay taxes and do not have children in the schools system, which helps to keep Becket's tax rate low. He noted that these second home owners look for little in the way of services from the Town other than public safety; ambulance, fire and police. Chief Elovirta recommended that the Town

vote for the recommended amount of 219,600.00. Ms. O'Connor wasn't clear on whether the discussion was on having a midnight shift or a full time Chief. Jeremy Dunn noted that the current cost of a part time Police Chief was approximately \$19,000.00 per year, then referred to a memo from the Town Administrator to the Finance Committee that reveals that the total cost of a full time Police Chief would be \$105,000.00. Administrator Kleman contested this assertion, and stated that the bottom line number for a full time Police Chief was approximately \$82,703.00. Mr. Dunn observed that by his calculations the increase in cost to the Town going from a part time to full time Chief, with salary, health insurance and payroll tax was approximately \$64,000.00. Angela Hilton moved to reduce the amount voted for to the amount recommended by the Finance Committee of \$203,070. 00 for Police Dept. Salaries. The motion was seconded from the floor. Mrs. Roberts asked if the reduction would result in a decrease in protection. Mr. Elovirta responded that the reduced funding would not fully fund a midnight shift officer. Mrs. Devane asked the finance committee recommended amount would result in a full time Chief. Mr. Kleman responded that he believed a full time Chief would still be hired, and the Town would continue to rely on part time officers to fill staffing gaps. He also stated he didn't believe our full time officers would be reduced to part time officer. He believed that a part timer's patrol hours would be blended into the full time Chief's and that there would be one fewer part time police officers. Mr. Dunn noted that there were some part time officers that had expressed the intent to resign when Chief Elovirta resigned. John Amatto asked if we were voting on whether we were voting on a full time Police Chief, or the amount of money. The moderator explained that what was being voted on was the money appropriated for the budget, and that the Administrator and Selectboard would decide how to allocate those funds. Ms. Regan asked why the Selectboard supported the higher amount and what the increased cost to individual tax payers would be. Selectwoman Pryor explained the majority of the Selectboard felt that it was of paramount importance that the people of the Town be protected and approved the requested budget accordingly. Jeremy Dunn noted that the higher amount for Police Dept. Salaries would result in approximately 3 cents additional per thousand dollars of property tax valuation. Mrs. Swindlehurst made a motion to move the question. The motion was seconded from the floor. The moderator noted that for this motion to succeed it would have to pass by a 2/3 majority and that he was authorized by law and Town By-law to call a 2/3 majority on voice vote. A voice vote was taken and the Moderator determined that 2/3 had voted to cut off debate. The moderators call was doubted from the floor by more than 7 registered voters. The moderator then called for a show of hands and the election workers present, Eva Bonney and Patricia Clemons, counted those for and against the motion to end debate on the proposed amendment. The vote in favor of stopping debate on the proposed amendment was 91 and the vote against stopping debate was 45. The motion to end debate passed with 66.9%, or just slightly more than the 2/3 majority required for the motion to carry. A voice vote was then taken on the motion to substitute \$203,070 for 219,600.00, the moderator determined that the motion didn't pass. The moderator, upon expressions of doubt from the floor then called for a show of hands, and confirmed that the motion to substitute did not pass. There was additional discussion on what actual costs were included in the \$219,000.00, and it was reiterated that insurance costs and other employee costs were reflected in other line items of the budged. Pat Portieri made a motion to reduce this line item to \$173,700.00. There was a second for the floor. A voice vote was taken and the moderator was uncertain. A show of hands was called, and the motion failed. Doubt was expressed from the floor. A show of hands was called for and the vote was counted with those in favor 63 and those opposed 82, the motion to amend failed. Eva Birkett mentioned that when the vote now to be taken it was against the recommendation of the finance committee. Rita Furlong noted that our tax rate was going down, not up. Dan Parnell noted that the largest town expense was school expenses, and that school costs went down this year. The second largest expense is town employee salaries, and that it is very hard to lower employee costs when new employees are brought on board. Bob Ronzio discussed the cost of many part time officers might equal the cost of one or two full time police officers. Mr. Kleman discussed developments that lead up to the Board of Selectmen's decision to explore hiring a full time Police Chief. A vote was taken on the motion to approve the Selectboard recommended amount of \$219,600.00 and the motion on the Selectboard Budget Recommended amount Line Item 69 Passed.

Line Item 71 – Harbor Master. There was a question from the floor as to why the harbor master expenses for this year was almost double from the previous year. The Town Administrator and Jeremy Dunn commented on this question. A vote was taken and the motion on the Finance Committee/Selectboard Budget Recommended amount Line Item 71 Passed.

Line Item 78 – Building & Code Insp. Exp. Cindy Delpapa asked what this money was used for and why the increase. Mr. Kleman explained that the building inspector got new software and there is a software maintenance contract. The software will enable access to building permits online and other functions. Jeremy Dunn stated that the Finance Committee recommended approval contingent on the Selectboard increasing fees for the building inspector and permits. A vote was taken and the motion on the Finance Committee/Selectboard Budget Recommended amount Line Item 78 Passed.

Line Item 79 – Demolition Fund. Mr. Lerner asked what the fund was used for. Mr. Kleman explained that bids were solicited for contractors to remove dangerous buildings and eyesores. Mr. Lerner asked what the average number of houses removed over the last 5 years. Mr. Dunn responded to Mr. Lerner noting that the building inspector noted that there are as many as 30 properties in town that need to be destroyed. Mr. Dunn stated that the current budget was sufficient to destroy between 2 and 5 of those 30 properties. Mr. Lerner moved to increase the budget amount to \$12,200.00. The motion was seconded from the floor. There was discussion from the floor. A vote was taken and the motion to amend failed. A vote was taken and the motion on the Finance Committee/Selectboard Budget Recommended amount Line Item 8 Passed Unanimously.

Line Item 80 – Public Safety Inspections. Ms. O'Connor asked what this money was used for. It was explained that this was wiring, plumbing and gas inspectors. A vote was taken and the motion on the Finance Committee/Selectboard Budget Recommended amount Line Item 80 Passed Unanimously.

Line Item 92 – Board of Health Salaries. There was discussion on the floor concerning cost of Beach Permits being \$50.00. Ms. Conner stated it was a State Permit requirement, and reports were submitted by the Board of Health to the State. A vote was taken and the motion on the Finance Committee/Selectboard Budget Recommended amount Line Item 92 passed unanimously.

Line Item 93 – Board of Health Expenses. There was no discussion. A vote was taken. The motion on the Finance Committee/Selectboard Budget Recommended amount Line Item 93 Passed Unanimously.

Line Item 105 – Municipal Buildings. Ms. O'Connor wanted to know what municipal buildings were involved. Mr. Kleman responded: Town Hall, Fire Station One, Fire Station Two, the Highway Garage and the money was used for phone, supplies, and the like. The Arts Center and the Mullen house are not included in the Municipal Buildings. A vote was taken and the motion on the Finance Committee/Selectboard Budget Recommended amount **Line Item 105 Passed Unanimously.**

Line Item 106 – Software Maint. Agreement. Mr. Kleman explained that this was for new software packages that the Tax Assessor and Tax Collector's offices received. He also noted that in previous years this was not a separate line item. A vote was taken and the motion on the Finance Committee/Selectboard Budget Recommended **amount Line Item 106 Passed**.

Line Item 115 – Parks Comm. Ms. O'Connor asked if Town Beach erosion remediation was coming out of this line item. Rita Furlong responded that Conservation Commission said that sand could no longer be placed the beach because it was washing into the pond. Last year' money was spent to have engineering studies done and buy materials. She hopes to use this upcoming year's funds for volley ball courts and the like. A vote was taken and the motion on the Finance Committee/Selectboard Budget Recommended amount Line Item 115 Passed Unanimously.

Line Item 119 – Health Insurance. There was discussion on the floor concerning the expense of health insurance, and whether the Town had done any comparison shopping. There was a vote was taken and the motion on the Finance Committee/Selectboard Budget Recommended amount Line Item 119 Passed.

Bob Ronzio moved to suspend the rules and advance Article 18 for immediate consideration, and it was seconded from the floor. The Town Moderator acknowledged the motion, noted that it was not debatable or subject to amendment and required a two thirds vote. A vote was taken, the Town Moderator declared that the motion to suspend the rules and advance Article 18 passed by the requisite 2/3 majority, and the rules were suspended and the meeting proceeded to consider Article 18.

Article 18: To see if the town will appoint Sergeant Marc J. Portieri, a police officer and resident of the town, as Police Chief for the Town of Becket for a term of one year or take any other action relative thereto.

The Town Moderator explained that this vote is advisory only and that Town Counsel had confirmed that the Town Charter and Town By-laws vested appointment authority for the Police Chief in the Town Administrator with the concurrence of the Board of Selectmen. There was lengthy discussion from the floor. Ms. Hilton moved to amend the Article to require the Town Administrator to appoint Marc Portieri, a Police Officer in the Town of Becket as Police Chief of the Town of Becket for a term of one year. The Town Moderator sought the opinion of Town Counsel as to whether this was a legitimate motion. Town Counsel opined that the motion was not a legitimate motion.
